

I'm Julian Arnold,
UX Designer, problem solver, 1/4 century
old maker and rapid learner, with a crush on
mobile interfaces from Stuttgart, southern
Germany. Building mobile user experien-
ce for Mercedes me [@DaimlerTSS](#) since
09/2016. ~~Previous B.A. interaction design
@Hochschule für Gestaltung Schwäbisch-
Gmünd. Supporting as IT administrator the
past six years @Guschky GmbH. IT As-
sistent @Berufskolleg Hilden graduated
08/2011.~~

Always enjoying a cup of tea while creating
human-centered design driven products
with Sketch and making ideas tangible by
bringing them to life through prototyping
with Flinto and Invision.

Initiator and founder of [DesignDeutschland](#).
